

CONCESSION ACCOUNT CONTRACT

2020-21

The lunch program concession stand was a great success last year and I'm happy to offer this service again this year!

***Simple lunch and snack items THAT DO NOT REQUIRE HEATING will be offered starting in October.**

The concession stand is not intended to replace but rather *supplement as necessary*, our hot lunch menu or your child's packed lunch. This will be beneficial on those days that your child has an unpredictably hearty appetite, if your child forgets their lunch, or if an unfortunate incident occurs such as dropping their lunch.

***Payment is required in advance. (See below)**

****We will not be accepting over the counter cash until further notice.***

****Borrowing" will not be allowed.***

IMPORTANT TO KNOW:

- A **concession account** is required to purchase from the concession menu.
- Items offered are "convenience foods" (not necessarily the most healthy, but appropriate in a pinch).
- Although lunchroom volunteers will maintain a record of your child's purchases, PLEASE NOTE that the record will include dollar amounts only. Dates and details of items purchased will not be recorded.
- **PLEASE DO NOT RELY ON the availability of these items as an "alternative" to pre-ordering from the regular lunch menu!** Items are offered on a first come-first served basis. There will be no guarantee that items will be available day to day.

CONCESSION ACCOUNT:

To purchase from the concession menu a concession account is required.

Simply sign below that you have reviewed the above details and send in with this form, cash or a check (written out to Our Savior's Christian School) in any amount (**recommended amount is \$20.00-\$25.00**).

Please also indicate whether you would like *donate* or *carry over* to the next school year any balance remaining (if any) at the end of this school year. (Donations go to the Lunch Program Account and will be used to purchase or update/upgrade supplies such as appliances, pots, pans, cooking utensils, etc.)

I have read the details above in the "IMPORTANT TO KNOW" section and would like to set up a

concession account for my child:

GRADE:

AMOUNT:

At the end of the year please:

carry over

donate

remaining balance.
