				<input type="checkbox"/> Non-Self-Directed <input type="checkbox"/> Self-Directed <input type="checkbox"/> Self Admin-Self Carry

All medication should be given as close to the prescribed time as possible, however may be given up to one hour before and no later than one hour after the prescribed time. Please advise the school if there is a time-specific concern regarding administration of the medication.

Prescriber please check all that are applicable:

- If morning dose is not given at home, nurse may administer morning dose of _____ after verbal or written notification from parent. Please advise parent to send in additional medication
- Medication is required: On bus On field trips On school-sponsored after school/weekend activities/sports
- I assess this student to be **self-directed*** regarding this medication.
*They understand the purpose, name, amount, dose, timing, and effect of taking or not taking the medication, can recognize the medication and refuse to take it inappropriately and can ingest, inhale, apply or calculate and administer the correct dose of the medication independently.

I have determined this student is consistent and responsible in taking their own medications (Self-Directed) and in addition, give them permission to **self-carry and self-administer** this medication. They will be considered independent in medication delivery and need intervention only during emergencies

Self-Administer/Self Carry

Parent permission and provider consent is required for students to self-administer and self-carry medication. Students with this designation are considered independent in taking their medication at school and require no supervision by the nurse. Parents assume responsibility for ensuring that their child is carrying and taking their medication as ordered. Schools may revoke the self-carry/ self-administer privilege if the student proves to be irresponsible or incapable. To request this option please sign below:
